

MOLSON BLUE ALUMNI CARDS

These 2 1/2 x 3 1/2 hockey cards were released by Molson and have players of the Montreal Canadiens alumni on their fronts. Originally, there were 85 cards in the set (83 players and 2 checklists). As players ordered more cards, some fronts were changed and the Canadiens logo slowly replaced the Molson logo. There are also late addition (la) cards which were not part of the original 85 card set. The backs contain player career statistics and logos of the teams each player played with during their career.
